Miss Roberta Kopper
The Long John Nebel Show
WNBC, 30 Rockefeller Center
New York, N.Y.

Dear Miss Kopper,

I do not now recall what you replied when I asked you if I could have a tape of my appearance on the Long John Show, but if at all possible, I'd very much like one. It can be at any speed. Our machine goes at 1 7/8 and 3 3/4.

If you got any reaction to my appearance, I'd also like to know what it was, or if there were any letters I might see, I'd appreciate that.

Thank you very much.

Sincerely yours,

Harold Weisberg
